## **Shuttlelift promotes Chayer to Managing Director International Sales / Business Development**

Sturgeon Bay, WI (March 17, 2010)

Marine Travelift/Shuttlelift announced the promotion of **Stephan Chayer** to *Managing Director International Sales / Business Development* today.

Chayer will be responsible for all international marine, industrial and government sales for the Company.

Chayer was hired by Marine Travelift/Shuttlelift in 1998 as an *International Sales Engineer*. He was promoted to *Director of European Sales* in 2003, and named *International Director* in 2006.

In 2005, Chayer was the first recipient of the Marine Travelift/Shuttlelift President's *Award of Excellence*, an award recognizing extraordinary achievement on behalf of the Company. Chayer was instrumental in establishing and developing the international segment of the business for the Company.
